Asher's Chocolates — The perfect gift for everyone on your list.

One of life's sweetest pleasures is a simple box of chocolates. As a family-owned and operated business, we've been making our fine chocolates and other classic confections for five generations. Established in 1892, Asher's prides itself as a family-run business. With the new fifth generation, we continue to put our hearts and souls into making the finest chocolates available.

Our family offers an award-winning selection of chocolates and other sweets – from assorted nuts to chocolate-smothered pretzels and creamy fudge. We also have one of the largest (and most delicious) lines of sugar free chocolates in the country.

With Asher's Chocolates, you're sure to find the perfect gift.
