Our Commitment To You

We understand that one of life's sweetest pleasures is a simple box of chocolates. As a family-owned-and-operated business, we've been making our fine chocolates and other classic confections for over five generations. Established in 1892, Asher's continues to pride itself as a family-run business. With the new fifth generation, we will continue to put our hearts and souls into making the finest chocolates available.

With this passion for confection perfection comes a commitment to our community as well. In 2011, Asher's was certified as a landfill-free enterprise, meaning all waste is either reused, recycled, or processed into renewable fuel. By doing this, Asher's became a more eco-friendly business continually striving to reduce our carbon footprint.

We take great pride in the quality and safety of our products for you and your family. Early in 2022, Asher's Chocolate Co. became SQF (Safe Quality Food) certified – a rigorous process that is recognized worldwide for its credible food safety and quality standards.

Ordering & Shipping

SHIPPING POLICY

All orders will be processed and shipped as soon as possible. Delivery or pickup can be arranged and scheduled when placing your order. Please note, during high volume sales, discounts, and promotions, orders may take a few extra days to process.

We are able to ship to most P.O. Box locations. We may contact you for a direct address based on location if needed. We are able to ship to all 50 states and Puerto Rico. Be sure to include appropriate suite or apartment numbers when necessary to ensure proper delivery.

We ship utilizing UPS and USPS. Transit times vary depending on the destination and the temperatures there.

TEMPERATURE

Asher's takes special care of your chocolates being shipped to areas with temperatures above 68 degrees by carefully packing them with reusable ice packs in an insulated case. Depending on national temperatures, transit times, and destination, we may be able to ship on Fridays between the months of November and February only. To ensure your package arrives fresh and in perfect condition, we do not ship on Fridays during warm weather months of the year.

LOST OR STOLEN PACKAGES

Upon inquiry, Asher's Chocolate Co. will confirm delivery to the provided address, date of delivery, tracking information and shipping carrier information for the customer to investigate.

INTERNATIONAL ORDERS

Asher's Chocolate Co. currently does not ship internationally.

INCORRECT SHIPPING INFORMATION

During the fulfillment process, we do our best to contact you if we happen across an "undeliverable address." However, Asher's Chocolate Co. is not responsible for incorrect shipping information provided by the customer. As a result, if an undeliverable address or inaccurate shipping information is provided, Asher's is not responsible for the unreceived item.

If UPS is unable to deliver an order based on inaccurate information provided by the customer, the package is disposed of by UPS. In the instance that the customer would like the package to be redelivered, they must place a new order.

PLEASE DOUBLE CHECK ALL SHIPPING INFORMATION PROVIDED to ensure there are no typos or inaccuracies in the shipping information to avoid the disposal of your order in the instance it is undeliverable.
